

Bawley Point, Kioloa and Termeil – Bus stop locations

Location	Average Children	Bus Shelter	Issues/Concerns
Forester Dr Bawley Point	32	Yes	Drainage – Water pools next to bus shelter. Water does not drain away to the Murrumurang Rd drain located at the bus stop (images attached) Bus Shelter – Too small for amount of children, request for larger, more appealing bus shelter to accommodate growing number of children at this bus stop
Wonnowong Pl Bawley Point	10	No	No issues
Murrumurang Rd & Thrush St Bawley Point	30	Yes	Bus stop location – request to move location to neighbouring Thrush St **** to be discussed Bus stop is currently situated at the top of a blind hill Café soon to reopen across the road, this will increase traffic and cause parking issues as customers use bus stop as carpark Bus Shelter – Too small for amount of children, request for larger, more appealing bus shelter to accommodate growing number of children at this bus stop
Cnr Murrumurang Rd & Lurnea Ave Bawley Point (after school drop off)		No	No issues
Cnr of Murrumurang Rd & Malibu Dr Bawley Point (after school drop off)		No	Vegetation needs to be cleared where children get off the bus. Currently parents/siblings stand on the corner waiting for bus. Bus drop off time is 4:30pm, a very busy time for traffic on Murrumurang Rd White posts installed by SCC have not stopped vehicles from cutting this corner, post locations to be re done OR another approach requested
